© Copyright Galactic Connection, 2016

The use of the Violet Consuming Flame is imperative. It is the only means by which all undesirable accumulation can be forever dissolved, consumed, and its cause and effect annihilated.

## SWEEP THE VIOLET FLAME THROUGH US!

Beloved Mighty I AM Presence,  
SWEEP the Violet Flame through us. (3 times)

Love, Wisdom, and Power

Everyone who has ever accomplished the Ascension had to use the Violet Consuming Flame to dissolve and consume his own human creation, before the Substance of his flesh body could vibrate at a rate that would enable it to Ascend.

## State this Proclamation Daily from the Time You Purchase the Implant Removal Process

It is suggested that you repeat this proclamation every day for 30-45 days, and as often thereafter as you are intuitively drawn to do so. The intent is to transmute the many layers of programming and be balanced so that the triggers no longer affect you.

## Controlling Energies

I, (state your name), proclaim that my life is my own. I close all windows, portals, and doorways that allow another to observe or manipulate my energies as far as they extend, and I transmute all energies connected to this experience into the divine expression of Creative Love. I choose to be well, whole, and perfect of body, mind, and soul. I call forth all controlling energies experienced throughout the journey of my soul and all those connected to these energies.

I call forth all aspects of their Being, all aspects of my Being, and the nucleus of the Soul on all levels of consciousness to be present and accept this healing. I call forth all soul expressions, elementals, thought forms, patterns, and programs to stand before me, as I stand before you, in love. I ask you to forgive and honor me. I forgive and honor you. I embrace you in love. I thank you for the lessons we have shared.

I embrace all bonds between us in Unconditional Love and demand that all interfering energies be transmuted into the divine expression of Creative Love.

I call forth all laws I own, all beliefs I have, all vows I hold, all invocations I have made and received, all contracts and agreements which exist that create distortions, illusions, images, holograms, symbols, and psychic messages which are causing unrest within my Being, and I transmute these into the divine expression of Creative Love.

I call forth all invasive energies, including thought forms, programs, or substances administered to me, or created by me, that form separation, distortion, illness, or illusion within my Being. I transmute you into the divine expression of Creative Love and return you to your Creator Source to be used only as positive, productive energy.

I call forth all cells, creative energies, and all personalities and aspects of my Being to integrate into my wholeness and align in Divine Perfection.

I call forth all energy forms that are creating a response in my Being that is out of alignment with the essence of my Soul and Divine Truth, and I transmute them into the divine expression of Creative Love and return them to their Creator Source to be used as positive, productive energy. Whatever thought forms or energies I own that are encouraging or causing harm to my Being, I return to their Creator Source.

All residues I hold within my Being I transmute into the divine expression of Creative Love to become a powerful, positive, productive energy. I command any energy or programming administered to me, with or without my permission, that is altering or limiting my ability to freely connect my body, mind, and soul, and experience my wholeness, to be reversed in divine perfection.

I proclaim Sovereignty. I proclaim dominion over my skills. I claim dominion over my body, mind, and soul. I have grown; I am empowered; I stand in my truth.

I call forth and integrate my true identity expressing itself as (state your name). I acknowledge all those who share this experience; I offer you this healing. I embrace you in Unconditional Love and transmute all interfering energies into the divine expression of Creative Love. I proclaim my peace of mind, and the peace of mind for all humanity. And so it is.

## New Violet Flame Technique with Saint Germain

Jesus' (Sananda) Greatest "Superhuman" Prayer Is Now Spreading Across Mother Earth, As She Heals By Our Hands And Hearts.

We meld with Mother Earth's spirit, with our highest wisdom, power and love, for eternity, with this prayer, "To My Spirit Almighty."

Somewhere on your healing path, you will become aware of “A Prayer To My Spirit Almighty” and Sananda, the Supreme Commander of your life in Project Transition Earth.

Now more than ever, humanity can self-activate by using what our Galactics have said in *The Phoenix Journals* is the greatest prayer ever, which has never been improved upon.

This greatest prayer is a Self-activation, because the stronger the Self, the stronger the prayers that are offered to the One. As your Light increases via Self-activation, this is the path to obtain superhuman, 5D status.

As we build our superhuman light bodies, we move towards pH balance, experiences of many blessings, the detoxification of all density, the ego becoming the servant to the soul, full presence with the multiverse, abundant harmonic living with all creatures, new human abilities like telepathy, and much much more! This is why our galactic family expends so much effort to assist us to rise to the occasion, because this opportunity has never come before and it shall never come again to achieve immortality in these bodies.

Imagine if we are willing to be the answer to our own prayers, and that Mother Earth heals by our own hands and hearts!

The more love... the more inner power! This is self-activating in a free-will universe.

I recorded this song around 7 years ago... “To My Spirit Almighty,” setting this powerful prayer to spoken word and Native chant.

Imagine if we, the world, could begin our days with a most powerful self-activation, that we would be an answer to our own prayers? We would meld with Mother Earth’s spirit, with our highest wisdom, power, and love, for eternity.

From Sananda’s spirit almighty... my spirit almighty... to yours.

## A Prayer To My Spirit Almighty

### **My Spirit Almighty,**

(My Spirit who is all-knowing, almighty, and all-loving in me.)

### **Your Presence be sanctified,**

(Your presence confirms to me your controlling power over all matters concerning myself.)

### **May your wisdom become conscious to me,**

(May your wisdom be extended in the consciousness of my thoughts in order to enable me to apply all truths, wisdom and love, peace and freedom, given to and acquired by me and all mankind.)

**May your power be extended in me, on Earth as well as in Heaven.**

(May your power be extended in the consciousness of my thoughts in order to enable me to apply all truth, wisdom, and love, peace and freedom, given to and acquired by me and all mankind.)

**Please allow and give unto me all that I need for living this day and each day;**

(Please grant me all I need for my material as well as my spiritual life and development, for you are Almighty.)

**So that I acknowledge my errors,**

(So that I may recognize my faults and eliminate them, since they hinder me on my way of evolution.)

**Please do not allow me to be led into temptation, nor to fall into temptation's clutches, but rather to right decision and choices through discernment and just judgments.**

(Please do not let me make error by material and wrong thinking, or become dependent on beliefs alone.)

**For you are within and without me as power and wisdom, truth and knowledge for eternity.**

(May I become conscious of your almighty forces inside me at ALL times.)

**Thy will be done in and through me, as the creation which I AM.**

(All of this ask in truth and ask not for self, except for understanding and truth, and ask all in behalf of brothers so that the cycle of wholeness may become manifest, even unto the tiny most portion of manifestation of your relations, which after all—IS ALL.)

## Declarations to the Demiurge

My friend sent me a recording of a guy telling his near-death experience ([trickedbythelight.com](http://trickedbythelight.com)) and on his way back to earth, he encountered “the Demiurge.” He basically fits the descriptions of the Biblical devil. Anyway, the Demiurge thinks he owns and runs this place as long as he can maintain a two-thirds ratio between good and evil (2/3 good). My friend took this guy into the future to see that he indeed loses and has to cede control to the Light. He mentions that this happens after a period of darkness (physical darkness).

So my friend muscle-tested (he is a theta healer) to create these declarations. I prayed on it for awhile, and threw a couple cards from a new deck, and one of the cards actually spoke about gaining freedom from the oppression of the Demiurge and used that word, along with his name, Samael Yaldaboath, of 1st Century gnostic Christian mythology. (Maybe not myth?) That was enough of a sign for me. How often do you see the word *demiurge*?

I said the declarations, and a couple days later while camping, my husband’s son actually killed a huge rattlesnake that had crept into our campsite, heading to where I had been napping. A voice said in my mind, “That conversation is over” (with the snake).

I have also passed the declaration on to my friends and clients. We have all experienced significant shifts as well as further attacks from the dark (of course). My psychic connection has gotten much clearer, and I can’t listen to NPR anymore. (lol)

I feel like we are all former POW’s and will take awhile to acclimate to freedom.

I feel I understand now that evil is simply resistance to what is. I have sort of transcended dualism. My background is in Christianity, and I believe that this is what Jesus actually came to give us—sovereignty. And of course, the religion was hijacked and turned into a system to oppress instead. I believe Jesus has been leading me to this new level of sovereignty for a long time. I can feel this sovereignty in others. It’s not about this particular declaration; it’s about simply realizing that we are sovereign. This is simply a vehicle for that.

I have gotten that the declaration is more effective if one is standing barefoot on the Earth. This is about freeing her, too. Or perhaps she has always been free, and we align with her when we are Sovereign. My connection to the earth and the bliss I feel when in higher vibratory states is truly amazing. So much love!

In Love and Gratitude, Paula

Here are the declarations.

### **Revoking One's Signature**

Creator of All That Is, it is commanded that my signature be revoked on my contract with the Demiurge, on account of deception and violation of free will.

Thank you; thank you; thank you. It is done; it is done. Show me.

### **Firing His Minions**

Creator of All That Is, it is commanded that all of the angels and beings working for the Demiurge that have been assigned to drag me down be fired, returned from whence they came, and be cleared, canceled, deleted, and resolved on all levels from my soul.

Thank you; thank you; thank you. It is done; it is done. Show me.

### **Declaration of the Sovereign Soul**

Creator of All That Is, it is commanded that I am a Sovereign Soul.

Thank you; thank you; thank you. It is done; it is done. Show me.

## Gaia Protection For Your Energetic Field

By Eileen Zizecli-Coleman

### Exercise of Preparation for Meditation

Walk around your sanctuary calling to the four directions and Grandfather Sky and Grandmother Earth, cleansing with the burning of white sage.

After cleansing your sacred space in whatever way is right for you, visualize a shimmering ball of Golden Light coming down from above your crown chakra and flooding your very being, cleansing you of all negativity and re-energizing you. Visualize this Golden Light, which is the highest vibration of energy, pouring into your skull, brain, and spinal cord—into every part of your body—visualizing a cleansing and healing process taking place, creating peace and harmony.

In a meditative state, ask for Love and protection for yourself and for your sacred space, such as,

“Spirit of the East, where the Sun rises—gateway to the Sun and the element Fire—  
ENLIGHTEN ME.

“Spirit of the South, where the Sun is at its strongest—gateway to our feelings and emotions and the element Water—EMPOWER ME.

“Spirit of the West, where the Sun sets—gateway to the physical and the element Earth—  
TRANSFORM ME.

“Spirit of the North, where the Sun rests—gateway to the mind and the element Air—  
INFORM ME.

“Grandfather Sky, masculine forces behind All That Is—EMPOWER ME.

“Grandmother Earth, feminine forces behind All That Is—NURTURE ME.”

Visualize yourself now completely enveloped by the holographic field of the “Flower of Life” which contains all the archetypal patterns of perfection—your Merkaba Light Body.

This has to do with getting rid of unwanted energies and protecting yourself. It has worked very well for me. I find that imagining the “Mother of Pearl” frequency is also effective for me.

## Invocation

“I sever all ties, and I revoke all agreements,  
controls, programs, and belief systems, past and present,  
that no longer serve the highest good of my divine self.  
I return them back to their source in love and light.”

*Now, place your hand behind your head in line with the medulla oblongata  
and say with positive intent,*

“Let all that no longer serves my highest good, GO.

“Let all that no longer serves the highest good of my Divine Self, GO.

“Let all that no longer serves the highest good of my Multidimensional Self, GO.”

*And as you are saying each decree,  
bring your hand over the top of your head and sweep it down in front of your body.  
Imagine your hand like a sword cutting away all the ties and unwanted attachments.*

*Then finally invoke,*

“I send all that I have released back to their home ...  
back to Source in love and light.”
